\* Rentals shown under 7A are only for CFS type of sites and has been arrived at based on class of market. There will be 2% increase in rentals every year till the period of lease. The rent payable will depend on the class of market to which the offered site on which the outlet will be constructed.

# Volumes Indicated are based on market conditions and may undergo change. Applicants are advised to make their own assessment of the potential

\*\* The site should be either owned or on lease with the applicants for minimum 19 years and 11 months or the applicant should have firm offer for the land, as on date of application

Sites offered against "Rural" type of ROs should not be on National/ State Highways or within Municipal/ Town/ Corporation limits

The site offered should be having depth as indicated above after leaving the designated Right of Way (ROW) as per local norms and there should not be any other land in between the site offered and ROW

Finance to be arranged by applicants (under column 9A and 9B) is based on MRPL assessment at prevailing rates. The applicants are advised to make their own assessment of the same before applying.

Collateral free bank loans can be availed through central Govt. credit scheme - CGTMSE (Credit Guarantee Fund Trust for Micro & Small Enterprises) for infrastructure development & working capital assistance by interested LOI holders of all categories including OBC Category.

\*\*\* Outlet Type - MRPL has two types of outlets viz Standard HiQ and HiQ Lite, a lower cost model with reduced CAPEX investment. The HiQ Lite model will be constructed only in case the estimated combined volumes are less than the minimum threshold.

The explanation for the columns is provided in the brochure which also contains the detailed guidelines of selection for dealership along with other relevant details

The brochure can be downloaded from MRPL website at [www.mdsp.co.in](http://www.mdsp.co.in)
