\* Rentals shown under 7A are only for CFS & CODO type of sites and has been arrived at based on class of market. There will be 2% increase in rentals every year for the period of lease. The actual rent will depend on the class of market to which the offered site belong and can be at variance from those indicated above. The indicated rentals are those prevailing in Calendar year 2025.

# Volumes Indicated are based on market conditions and may undergo change. Applicants are advised to make their own assessment of the potential

\*\* The site should be either owned or on lease with the applicants for minimum 19 years and 11 months or the applicant should have firm offer for the land as on date of application. In case of owned / leased sites, the applicant should have possession of the land as on date of application.

Sites offered against "Rural" type of ROs should not be on National/ State Highways or within Municipal/ Town/ Corporation limits.

HiQ Lite model is a low investment model suitable for low volume locations. Refer brochure for more details about HiQ Lite Model. Subject to volumes, MRPL at its discretion can opt for HiQ Lite model.

The site offered should be having minimum dimensions as indicated above after leaving the designated Right of Way (ROW) as per local norms and there should not be any other land in between the site offered and ROW.

The site offered should meet all the statutory requirements as per relevant norms of bodies like CPCB, town planning, NHAI, PWD or any other authorised body.

The indicated site dimensions in column 8 a, 8b and 8c are the minimum and sites with larger areas will be accepted at the discretion of MRPL. However, MRPL is not obligated to accept any larger dimension.

The minimum area required can vary from site to site depending on the set off mandated by any of the governing bodies and the estimated sales potential. In case, subsequent to issuance of LOI, the site dimensions reduce due to setoff prescribed by any of the government bodies, MRPL may consider construction of the outlet in the available portion of the offered site (after prescribed set backs), subject to technical and commercial feasibility & compliance to statutory norms.

Main road, indicated under the 'Name of Location' refers to paved roads with minimum width of the paved area being 7 m or more. Sites offered on roads with width below this could be rejected.

Finance to be arranged by applicants (under column 9A and 9B ) is based on MRPL assessment at prevailing rates. The applicants are advised to make their own assessment of the same before applying.

Collateral free bank loans can be availed through Central Govt. credit scheme - CGTMSE (Credit Guarantee Fund Trust for Micro & Small Enterprises) for infrastructure development & working capital assistance, by interested LOI holders of all categories including OBC Category.
